8. **‘A Palace at Verulamium? Recent results from the geophysical surveys’**: presented by Kris Lockyear. Verulamium was one of the largest cities in Roman Britain, now known as St Albans in Hertfordshire. Dr Lockyear has been carrying out geophysical surveys of the site of the Roman town for many years, and we are very excited to hear him bring us up to date. Was there a palace or not?
9. AOB
10. Date of next AGM – 8th June 2024 (tbc)
11. Chair’s closing remarks
